School Behavior Reporting Simplified

At SchoolBROS, we make it so easy for you to report student behavior, you can be up and online in less than 10 minutes. No programming or design background necessary. We provide you with a simple, easy-to-use interface that allows you to quickly and easily report student behavior. You can report behavior from a desktop or mobile device. We provide you with a simple, easy-to-use interface that allows you to quickly and easily report student behavior. You can report behavior from a desktop or mobile device.

Individual Student Report would be limited to the staff who are approved to view student behavior. The database when setting up the account would need to limit this for confidentiality.

Individual Student Report

Building Zone Report

Time of Occurrence Report

Reporting Staff Report

These would be ADMIN access buttons and not visible to general staff access.
